Minutes of MSSS GBC Meeting

Date of Meeting: February 10, 2005. (6:00PM)

Place of Meeting: The Gurdwara Sahib

Members Present: Sunpreet Singh, Charanjit Singh, Sammie Riar and Pritpal Bansal

The meeting started shortly after six.

The final drawings presented by Claude were reviewed by the committee. It seems that Claude has re-arranged the room containing restroom, hand and feet washing area, shower, area for shoes and washer and dryer.

The committee was in agreement that we need to follow the plan approved earlier by the committee. The only adjustment was to accommodate washer and dryer area and make hand and feet washing area back to back.

The questions were:

1. The locations of the windows on the outside walls of the building
2. Doors opening in to the main corridor – the corridor should clear of doors
3. The folding wall should have storage space on both outside walls of the Kirtan hall.
4. Accommodation of PA System

Sunpreet and Pritpal will arrange to meet with Claude week of February 14th to discuss these changes.

Rusty was sick and was not able to provide the final site plan. Pritpal will follow up on that with Rusty.

Contract Proposal from Gala Engineering for HVAC work was reviewed. They are asking \$2,250 for their work. In addition, they are asking for \$400 for site visits. Mr. V.T. has said that he will donate his personal time, the fee \$2,250 will cover his out of pocket expenses and the expenses for his staff working on this project. There was a question on the number of site visits. Pritpal will follow up with V.T. Gala to get clarification.

Meeting adjourned at 7:00 pm
