Minutes of MSSS Building Committee 3rd Meeting

Date of Meeting: August 16, 2004.

Place of Meeting: Gurdwara Hall, Hickory Ridge Mall

Members Present:

Pritpal Bansal, Dr. Gurpal Bindra, Amarjit Birang, Waryam Gulati, Raj Kumar, Charanjit Marwah, Rusty Norville, and Sunpreet Singh,
The meeting started shortly after four.

Rusty Norville presented his 28 week timeline to start the construction of the Gurdwara Sahib Building in Bartlett. It was debated and agreed that if GBC and the architect work closely, the Gurdwara Sahib Building construction could begin in 10 to 12 weeks rather than 28 weeks.

Gurdwara Sahib Building's basement plan was approved. Amerjit Sidhu is working on the Preliminary Drawings of this plan. The preliminary drawings should be available to the GBC by August 20th. Dr. Bindra will follow up with Sidhu & Associates.

It was decided to engage a local architect in Tennessee to work on the details of preliminary drawings proposed by Sidhu & Associates. The preliminary drawings will be given to three different architects in Memphis area for their comments and proposal of engagement. These architects are Charles Fletcher in Dyersburg recommended by Dr. Bindra, Gerald Hopkins recommended by Raj Kumar and Claude Berganza recommended by Sunpreet Singh. GBC will select one of these three architects to work on Gurdwara Sahib Building.

A formal proposal of engagement will also be requested from Rusty Norville.

GBC will not meet on 8/19/2004. The next meeting notice will be sent out after we receive the preliminary drawing from Sidhu & Associates.
