Wahe Guru Ji Ki Fateh**

Minutes of MSSS Building Committee 4th Meeting

Date of Meeting: September 2, 2004.

Place of Meeting: Gurdwara Hall, Hickory Ridge Mall

Members Present:

Pritpal Bansal, Sunpreet Singh, and Sammie Riar

The meeting started at 6:35 pm.

Sidhu Associates submitted the Preliminary Drawings on August 25th. GBC reviewed these drawings at this meeting. The basement plan was re-confirmed with the following adjustments to the plan.

Kitchen should be widened by 2 feet (from 13 feet to 15 feet). Space for freezers and coolers should be specified on the drawings. Question to be clarified – does the exhaust hood and fresh air inlet go through the top floor?

It was also agreed that Men's and Ladies restrooms should be moved to the basement floor from the first floor. A couple of additional hand washing sinks should be added to the common area. The restroom and shower room proposed for the basement should be moved to the first floor.

There was also a question for Sidhu Sahib Weather we need a place for foot washing?

Civil Engineering Solutions, LLC submitted their proposal for civil engineering services. GBC may seek additional proposals.

Building Estimate was received from Christian Brothers Build IT Inc. There estimate is \$320,430 including Architect Fee. This estimate does not include the parking lot pavement. Additional quotes are requested from other builders.

We need bids for the parking lot pavement.

Sangat members are encouraged to provide additional bids for the building from other builders they may know.

Preliminary drawings for the building estimate are posted on the Gurdwara Sahib web site <http://www.midsouthsikhsabha.org/4436.html> .

Sunpreet will obtain proposal from Mr. Berganza and bid from Besco.

Dr. Bindra will request proposal from Charles Fletcher

Raj Kumar will request proposal from Gerald Hopkins and a bid for the building.

All bids should be submitted to the committee by no later than Wednesday September 8th.

Meeting adjourned at 7:50 pm.
